DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on August 28, 2007 is not fully responsive to the prior Office action because the inventor's signature on the supplemental declaration filed August 28, 2007 is in the wrong place (it is signed under the second inventor). In addition, the typed name of the inventor is missing above the signature of the inventor in the supplemental declaration. Moreover, the supplemental declaration must address all changes to the original patented claims; i.e., amendments to claims 2, 4, 6, 11, 13 and 18. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
